

Holland High Tech
Global Challenges, Smart Solutions

Discover the Netherlands' **dynamic** and **innovative** semicon sector

Invitation Meet & Match lunch event

Holland High Tech pavilion | SEMICON Europa
Wednesday 15 November | 12.00-14.00 hrs | Booth B1-233

It is a great pleasure to invite you to join us in the Meet & Match lunch on the Holland High Tech Pavilion at SEMICON Europa.

The Netherlands is one of three countries in the world, together with USA and Japan, to have a complete value chain within its borders. The semiconductor value chain highly depends on national and international cooperation and it is at places like the SEMICON Europa where such cooperation is often initiated. The Holland High Tech Pavilion provides a perfect space to meet the Dutch and explore possibilities for cooperation.

We look forward to welcoming you at the Meet & Match lunch, hosted by the Dutch Consulate General in Munich, on Wednesday 15 November, 12.00 to 14.00 hrs, hall B1, booth 233.

Claudine Clignett

Senior Attaché Netherlands Innovation Network - Dutch Consulate General in Munich

Team High Tech NL Semiconductors

Participation is free of charge, but registration is appreciated. If you do not have an entrance ticket for SEMICON Europa for Wednesday 15 November, you can indicate this in the registration form. We will then send you a voucher code for a free entrance ticket.
