SEMICON Taiwan 2024

September 4-6, 2024, Taipei

 Share innovation. Shape tomorrow.

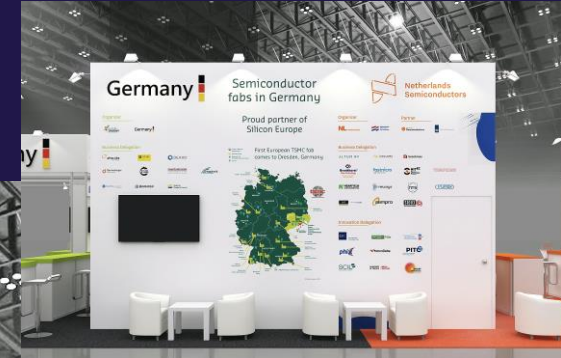

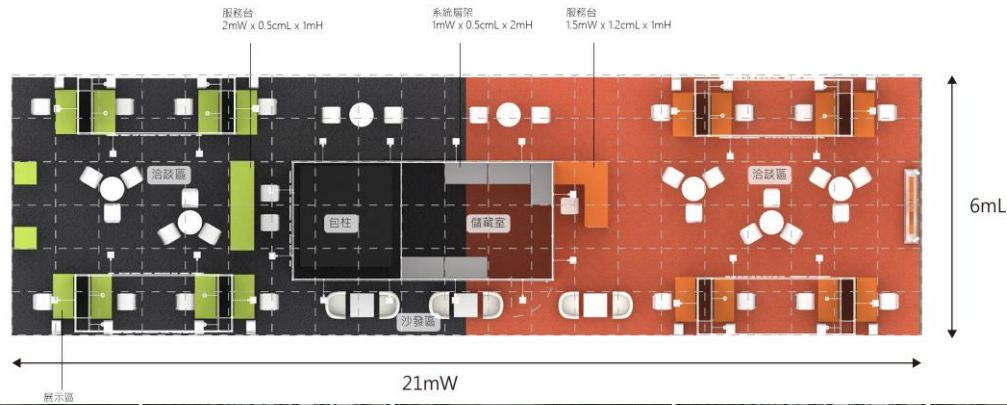

SEMICON Taiwan is the premier event for microelectronics manufacturing, nanoelectronics, MEMS, photovoltaics and related high-tech electronics. SEMICON Taiwan is one of the most important trade fairs in the world for the semiconductor industry.

We are pleased to extend an invitation to all Dutch semiconductor-related companies and organizations, based in the Netherlands, to participate in the Holland High Tech Pavilion at SEMICON Taiwan 2024, taking place from September 4th to 6th, in Taipei, Taiwan.

This year, we will once again be sharing a pavilion with Silicon Saxony. For the Dutch exhibitors, we have allocated 62m² of space, which includes presentation/meeting and catering facilities.
