

Call for Participation

SEMICON Taiwan 2025

September 10-12, 2025, Taipei

SEMICON Taiwan is the premier event for microelectronics manufacturing, nanoelectronics, MEMS, photovoltaics and related high-tech electronics. SEMICON Taiwan is one of the most important trade fairs in the world for the semiconductor industry.

We are pleased to extend an invitation to all Dutch semiconductor-related companies and organizations, based in the Netherlands, to participate in the NL Pavilion at SEMICON Taiwan 2025, taking place from September 10th to 12th, in Taipei, Taiwan.

While in previous years we participated as part of a joint booth with Silicon Saxony, 2025 marks an exciting milestone: the NL Pavilion will shine independently on Semicon Taiwan for the very first time!

The NL Pavilion is allocated approx. 100m² of space, which includes presentation/meeting and catering facilities.

Cost of participation

The participation fee in 2025 is **4300 Euro**.

This includes:

- your own company display area;
- a large TV screen for company presentations;
- participation in an interesting program on booth;
- exposure in media coverage and SEMI promotions.

Interested in participating?

Interested in joining the NL Pavilion at Semicon Taiwan 2025? Please visit

www.hightechnl.nl/semiconductors/information-and-registration-for-the-semicon-exhibitions-2025,
complete the participation form for Semicon Taiwan, and send it to semiconductors@hightechnl.nl.
