

# Call for Participation SEMICON Japan 2025

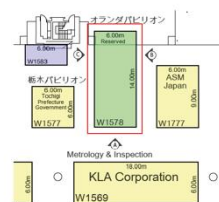

December 17-19, Tokyo Big Sight

With more than 85,000 visitors from around the world, SEMICON Japan is the leading meeting place for semiconductor stakeholders in Japan, an excellent opportunity to connect with new and existing partners in this multi-billion-euro industry.

We are pleased to extend an invitation to all Dutch semiconductor-related companies and organizations, based in the Netherlands, to participate in the Netherlands Pavilion at SEMICON Japan 2025, taking place from December 17 to 19, in Tokyo, Japan.

The total dimensions of the Netherlands Pavilion 2025 are 14 x 6 meters, 84 square meters in total, which includes presentation and meeting facilities.

# Preliminary booth design impression 2025

Technical drawing of the NL Netherlands stand layout, showing a side elevation with dimensions and components. The stand features a large blue wall on the left with the NL logo and text 'Supported by National High Tech' and 'NL Netherlands'. To the right are four orange pillars supporting a red overhead structure with the NL logo and 'Nederland' text. Further right are two orange pillars supporting a red structure with two 43" screens labeled 'EXHIBITOR'. Dimensions include a total height of 2700mm for the blue wall, 1220mm for the base, 930mm for the base of the pillars, 1500mm for the overhead structure, 960mm for the structure's height, 540mm for the structure's depth, 2400mm for the base of the pillars, and 4500mm for the total height of the stand.

## Cost of participation

The participation fee for SEMICON Japan is € 2.600.  
We have space for 16 participants. **First come, first served!**

Participation includes:

- Your own company display area with individual unit design
- A large TV screen for company presentations
- Project management, support, and organization before, during, and after the exhibition
- Exposure in media coverage, SEMI promotions, and the online exhibitor directory
- Meeting facilities at the booth.

By joining the Netherlands Pavilion, your company benefits from collective visibility, shared resources, and the strong reputation of the Dutch semiconductor ecosystem.

## Interested in participating?

Secure your spot in the Netherlands Pavilion today – space is limited to 16 participants (first come, first served). [Register here](#) before **October 15, 2025**.
