hereby confirms its participating in the joint NL booth at SEMICON Europa 2026, organised by High Tech NL Semiconductors, with a:

Regular Unit

Regular unit plus demo Unit

and hereby agrees as follows:

- The exhibitor fee is **EUR 6,700** (excl. VAT) for one regular unit of approx. 4,5 m² and **EUR 13,400** for one regular unit plus one demo unit of approx. 9m², in the joint NL booth, plus the use of a shared meeting & facility area at the booth. This fee excludes the mandatory fees charged by SEMICON Europa and Messe München, being the co-exhibitor fee of € 1.000 (non-SEMI members), € 700 (SEMI members) and the communication fee of € 990.
- If SEMICON Europa 2026 cannot take place as a physical event at Messe München due to unforeseen circumstances, the exhibitor will contribute (pro rata) to the preparation costs already incurred by High Tech NL.
- High Tech NL rents booth space at SEMICON Europa 2026 and ensures further coordination with the co-exhibitors.
- Your company will be presented at a highly visible central place located in hall B1, booth B1534. A fully designed and built display area, NL branded, with a shared meeting & facility area with bar and extra seats and two separate meeting rooms, welcoming reception for visitors and daily network events at the booth.
- Included in participation in the pavilion are the space rent, the design and construction of the joint booth and the individual exhibitor units, complete booth organisation and support, organisation and catering of daily network events at the booth, project management and communications before, during and after the exhibition, and the production of a booth exhibitor online directory with company profiles.
- Please note registration at SEMICON Europa is mandatory (instructions were shared with you separately). Once registered as a co-exhibitor in the SEMICON Europa directory you will be included in the exhibition catalogue and its online exhibitors list.

- Not included are costs for travel and accommodation of your company's employees/representatives and (transport and insurance of) your own exhibition goods.
- The regular unit of approx. 4,5 m² consists of a printed back wall, LCD screen, lockable cabinet, one barstool and 3 × 230V power power supplies, to power regular equipment such as laptops and mobile phones.
- The demo unit of approx. 4,5 m² consists of a small information pillar print, logo-sign, small high table, one barstool, 3 × 230V power supplies, to power regular equipment such as laptops and mobile phones and power supplies for DEMO machines as needed. **PLEASE NOTE: a demo unit can only be purchased in combination with a regular unit.** Installation of demo machines in consultation with High Tech NL regarding technical aspects for the construction of the stand. Specifications of the demo machines must be communicated to High Tech NL as soon as possible, but no later than 1 August 2026. The organisation and costs of transporting demo machines to and from the assigned demo unit are the responsibility of the exhibitor.
- The co-exhibitor is responsible for the timely supply of materials (logo, design, text, etc.) for prints. Instructions will be provided.
- Placement of own (roll-up) banners, panels etc. is not allowed. If there are specific wishes with regard to your own unit (e.g. the need for more space in connection with a large demo or renting extras such as display cases or brochure racks) separate agreements will be made. Availability and placement of additional furniture and demos is subject to the total wishes of all exhibitors and an optimal layout of the pavilion. High Tech NL reserves the right to make choices in order to maintain the open and communal character of the pavilion. Costs for any additional furniture or facilities are not included in the above mentioned exhibitor fee.
- High Tech NL will charge 100% of the exhibitor fee upon confirmation.
